IV. Motions to discuss and vote on:

   A. To have EPP Faculty Chair receive updates from the General Education Committee and share information related to EPP with senates.

   B. To have the diversity committee to do an assessment of the program to see where EL is already in our program in order to support our faculty and think about next steps.

   C. To have EPP chair as leader of senates and graduate council. (Note that this is contingent upon the EPP faculty chair having a one-course buy out each semester of service.)

   D. To recommend a position be created in the Teacher Education Office to do the day-to-day work involved with both elementary and secondary teacher education programs.

      ■ After a discussion, the El. Ed. Senate did not vote on this motion, asked for more information, a job description.

   E. To have the Level II Field Experience evaluation updated with a new category, “with distinction” and use this rating to recommend teacher candidates for pre-license substitute authorization.

      ■ The Elementary Senate voted “no” on this motion and drafted another motion to replace it.
