Teacher Education Executive Council
June 27, 2012
1:00 - 3:00  Seerley 119

Agenda

“R & D Center for Educational Innovation”

Notes from May 31 Executive Council meeting
Statements that have been made about the R & D model:
- Has a Director
- Distributed model - all colleges involved with a representative working with the Director
- Focuses on innovative practices
- Works with “satellites” for research
- Problem solving (for schools?)
- Curriculum development
- Repository for research
- Clearing House for the state of IA

Funding: $500,000 (UNI funding) has been set a side for next year

Questions from May 31 meeting:
- What is the connection to the Iowa Dept. of Education?
- Does all of the original R & D legislation remain?
- Does the original R & D legislation define what we will do?

Goals for June 27:
- Discussion of purpose, goals, operational mechanisms, etc.
- Craft a basic outline (i.e modify ideas in the white paper)
- Make a recommendation to President Allen

If possible - can we decide on the need for a July meeting and how many times this Council needs to meet during the Fall semester?
